ATTEMPTED SUICIDE 12-71332 [REDACTED]

On 07-09-2012 at approximately 0805 hrs. I responded to a report of a subject sitting in a vehicle at the listed location and that it was a possible attempted suicide.

On my arrival I observed paramedics attending to a male subject that was setting in a vehicle. It was learned that when the subject was found the engine was running on the vehicle and one end of a hose had been attached to the exhaust and the other placed inside the vehicle. The subject was removed from the vehicle. Subject was breathing but was incoherent. Subject was transported to Sartori Hospital and later air lifted to University of Iowa Hospitals in Iowa City.

A family member was at the location.

A note was found in the vehicle that indicated possible discrepancies with accounts at Peregrine Financial Group which was began by Mr. Wassendorf. With that company having offices in various locations of the United States that information was forwarded to the FBI Field Office in Waterloo.

No further action was taken.
